DISTRIBUTION

PaperCity direct-mails 25,000 issues in each market to homes in the highest-income neighborhoods in Houston and Dallas. The balance of issues is dispersed on racks in each city's hottest restaurants, cafes, retail stores, coffeehouses, gourmet markets, bookstores, high-rises, hotels, hair salons, spas, and more.

Home-delivery quantities are the issue counts delivered in the geographic areas and do not necessarily ensure saturation of a neighborhood. Numbers and areas are subject to adjustment.
